Accepting the challenge, the patrols of Troop 1 successfully launched their rockets to soaring heights! NASA Control De Nguyen, and Space Astronaut Nguyet Nguyen manned the launch pad while Satellite Man Phu Tran orbited over Cape Emerald Bay as each rocket rose into Wood Badge history. *Planning and teamwork* played important roles in the construction and launching of each patrol rocket. Count down, 3, 2, 1...Blasting off to new experiences here at Wood Badge!

### Thoughts by Baden-Powell...

- The boy is not governed by DON'T, but led by DO.
- The Scoutmaster teaches boys to play the game by doing so himself.
- Where the patrol method is properly applied, it is bound to succeed.
- Boys can see adventure in a dirty old duck puddle. And if the Scoutmaster is a boy's man, he can see it too.

What do you mean it did not go in?

## Patrol Corners

PLEASE KEEP DRINKING WATER

Patrols are responsible for cleaning up their own table area after each meal. Throw away your garbage and wipe your table.

Anyone using the drinking cup has to make sure it is not left in bathrooms, wash areas, on table, or on road. Throw it in the garbage can.

Coffee Drinkers, keep the coffee area clean. Put the top back on Coffee Mate. Keep the coffee table clean.

### Bobwhite Song

#### Đội ca

Tang tang tang tình tang tính,  
Bobwhite ta rất hăng say  
muốn đi Bằng Rừng Tùng Nguyên  
Để ta vui với bạn hiền.  
Bobwhite ta luôn có nhau,  
Ta hát tiếng chim của rừng,  
Ta sống với biển Thái Bình  
Ta là những Hương Đạo Sinh.  
Chóc, chóc, chóc!!!!!!
